

# Enterprise IT Management

Every aspect of our lives depends on strong, reliable networks. We understand the importance of the development, implementation, and operation of critical IT infrastructure.

**We focus on your technology.  
You focus on growing your business.**

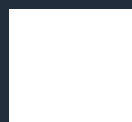

## SYSTEMS ENGINEERING

## ABOUT ONEZERO

OneZero Solutions is an Information Technology (IT)

Our industry-leading security people have designed and implemented some of the largest security networks in the world, and have implemented and managed numerous large-scale, enterprise-wide infrastructure projects focused on strategic compliance factors across multiple government and private sector organizations.

With our people-first approach and methodology, we create customer-centric, ironmen-style, eraging technologies to increase productivity throughout the workforce. Our professional, knowledgeable and experienced personnel are top performers, service and unparalleled results to our customers.
